Included with this reply are the required items, namely, a declaration signed by the inventors and a check covering the basic statutory filing fee and late declaration surcharge for a small entity. Also included is the Office copy of the Notice to File Missing Parts.

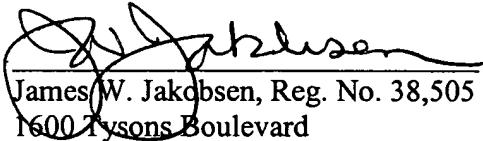

The two-month shortened statutory period for response to the Notice expired May 20, 2002. Since the present reply is being sent to the Office within one month after the two-month shortened period, a one-month extension of time is required. The fee for this extension is enclosed herewith.

Applicants assert entitlement to small entity status, therefore, total additional fees required for this reply are \$490 (\$370 filing fee plus \$65 surcharge plus \$55 one-month extension fee.) The Commissioner is authorized to charge any additional fees required or credit any overpayments to Deposit Account No. 03-3975. A copy of this reply is included for this purpose.

Please contact the undersigned if there are any questions regarding this reply. Thank you.

Respectfully submitted,
